## Studying at LMU Munich

### Course Information

Students may consult the online course catalogue at: [www.lsf.lmu.de](http://www.lsf.lmu.de) (no login required, they simply click on the link *Vorlesungsverzeichnis* to access the online course catalogue.)

The up-to-date course catalogue is available two months before the beginning of each semester. Before the catalogue goes online students may consult the faculty websites where there is often general information about choosing courses etc.

LMUexchange students must choose **at least 50%** of their course modules in one department only. Students should take **the other 50%** of their course modules in **no more than two other departments** (example: 50% of courses in the Department of German Philology, 25% of courses in the Department of History and 25% of courses in the Department of Politics).

If they have no previous knowledge and study experience in a subject area, LMUexchange students will solely be permitted to take introductory courses in this field. As a rule, bachelor students will not be permitted to take master courses (any exceptions to this rule will be discussed and decided by LMU).

**Grading System** ([www.lmu.de/international/incoming/grading](http://www.lmu.de/international/incoming/grading))

At LMU credit for Bachelor and Master Courses is given in accordance with the European Credit Transfer System (ECTS). All coursework will be graded in accordance with the German grading system ("1"–"6", with "1" being the best and "6" the worst grade). A course that is graded with 4 or above is passed. Some course are not graded (non-graded lectures).

## Language Requirements

### German Language Proficiency at LMU

As a rule we require that students taking courses taught in German have at least CEFR level B2 when commencing their studies at LMU. The same applies for students taking courses in English. For further information see: [www.lmu.de/international/incoming/language](http://www.lmu.de/international/incoming/language)

## Language Courses

### Intensive Language Courses

Students can prepare for their study experience at LMU by participating in an intensive language course. Courses take place in March and September respectively. They are not free of charge but, on successful completion of the course, ECTS-points will be awarded.

### Cultural Program

An extensive cultural program with field trips and excursions also takes place in September and March.

Further information: [www.lmu-preparation.de](http://www.lmu-preparation.de)

## General Information

### Visa

Depending on the students' country of origin, there are different entry and residence regulations. If a visa is required to enter Germany, exchange students are strongly recommended to submit their printed application form and supporting documents **before** the application deadlines for admission to the university.

Detailed information can be found at:  
[www.lmu.de/international/incoming/visa](http://www.lmu.de/international/incoming/visa)

### Insurance

Adequate health insurance is mandatory for all exchange students. We strongly recommend that students arrive with adequate travel insurance to cover them until they are officially registered as students at LMU. They should then take out German health insurance cover for the duration of their stay at LMU. To avoid paying twice, they should **not** take out any other health insurance before coming to Germany. Please note that travel insurance for the duration of their stay **is not enough** and will not be accepted at registration. Accident, personal and third party liability insurance for the duration of stay in Germany is strongly recommended. Detailed information can be found at:

[www.lmu.de/international/incoming/insurance](http://www.lmu.de/international/incoming/insurance)

### Students with Special Needs / Students with Children

To find out about facilities available at LMU before going abroad, students should contact the director of incoming student support services: [mesnouf@lmu.de](mailto:mesnouf@lmu.de)
